Online Viewing Gallery: This is a gallery of images selected to tell the story of your day, displayed in categories that make it easy for the viewer to follow. It makes an easy way to share your wedding day photos with family and friends without having to e-mail them—just simply send them the link. \$75.00

Print/Proofing Gallery: This is a password-protected online gallery of *all* your wedding day photos, in a gallery with shopping and checkout, that allows you to purchase professional quality prints at very affordable prices. Fun Booth: Also known as a “Crazy Booth”, or “Photo Booth”, the Fun Booth is an area set aside during the reception where *anyone* can have a picture taken. Silly or serious, it’s up to them. A studio strobe is used to light the area, and a dedicated camera is used to shoot as many pictures as time allows. It’s great fun, and a nice way for the guests to give some fun memories to you. \$149.00
